ALPINE DREAM HOME AS A PRIMARY OR SECOND RESIDENCE IN SCHÖNRIED

CH-3778 Schönried | Hubelstrasse 4 | **CHF 1'795'000.-**

Welcome to Huebelstrasse 4 in Schönried – one of the most exclusive residential locations in the Bernese Oberland. Nestled amidst the breathtaking mountain scenery of the Gstaad region, Schönried combines authentic Alpine charm with outstanding quality of life and world-class leisure opportunities. Whether skiing, hiking, golfing or enjoying fine dining, you will experience an exceptional lifestyle throughout the year. Thanks to its peaceful, sunny setting and excellent infrastructure, Schönried is one of the region's most sought-after addresses.

Allow me to introduce myself: I am an **exclusive 4.5-room apartment** that perfectly combines traditional Alpine character with modern luxury. Offering approximately **113 m² of living space**, a spectacular **34.3 m² panoramic balcony**, an elegant winter garden and an extensive renovation completed between **2023 and 2024**, I present myself today in an almost new condition. A rare advantage in this prestigious destination is that I may be used as both a **primary residence or a second home**, while **short-term rentals, including Airbnb, are also permitted**.

From the moment you enter, my welcoming entrance hall sets the tone for the refined living experience that awaits. My beautifully designed kitchen blends the warmth of traditional chalet style with high-quality modern finishes, creating an inviting space for cooking and entertaining.

The spacious living and dining area forms the heart of the apartment. Large windows flood the rooms with natural light while framing breathtaking views of the surrounding Alpine landscape. The elegant fireplace creates a warm and cosy atmosphere, making every season equally enjoyable. From here, you have

direct access to my generous balcony, where spectacular panoramic views of the mountains and nature can be enjoyed from sunrise to sunset.

Another outstanding feature is my exclusive winter garden – a light-filled retreat offering magnificent panoramic views throughout the year while seamlessly extending the living space.

My three elegant bedrooms offer exceptional comfort and privacy. Each bedroom benefits from its own private bathroom – two with walk-in showers and one with a bathtub. One bedroom enjoys direct access to the balcony, while another opens onto the winter garden, creating peaceful private retreats with unforgettable mountain views.

A practical utility room with a private washing machine and tumble dryer completes the thoughtfully designed layout. Residents also have access to a shared laundry room within the building.

My facilities continue to impress. An elevator provides convenient access to the apartment. The property includes one underground parking space and a private cellar. A second underground parking space can be rented nearby at the Ermitage for only **CHF 900 per year**. In addition, several outdoor visitor parking spaces are available directly in front of the building for shared use.

During the seasonal opening periods, residents also benefit from exclusive access to the **Alpinova wellness facilities**, including the **indoor swimming pool, sauna and fitness centre**, adding another level of comfort to this exceptional property.
